

VISA DECLARATION

Applications have to be lodged at least 15 calendar days before the travel date.

If the application is submitted later than 15 days before the travel date, the same will be treated as non-acceptable by the embassy and the application will be sent back to the applicant via VFS without processing unless a written proof of humanitarian reasons or reasons of public policy was submitted along with the application.

Furthermore, any enquiries to the Embassy per phone, email, fax or any other means, asking for preferential treatment or the status of the visa before 15 working days, will not be entertained.

Only serious humanitarian reasons or reasons of public policy justify such a query. If the Embassy, because of such a request, is selecting an application and finds the reason not justified, the application will go to the end of the queue.

I am aware that in case wherein additional documents are requested OR in case other authorities have to be consulted, processing time can go up to 45 days.

I hereby declare with my signature that I have been informed about the above mentioned points.
