TERM OF COMMITMENT

I hereby declare, under the penalties provided for in the Brazilian Penal Code, for the purpose of conducting research in Brazil, that I will comply with the laws and regulations governing the participation of foreign nationals in such activities, pursuant to Decree No. 98,830 of January 15, 1990, and Ordinance No. 55 of March 14, 1990, issued by the Minister of Science and Technology, as well as with Brazilian legislation on the collection and access to components of genetic heritage and/or associated traditional knowledge. I further undertake responsibility for sharing benefits with the holders of such heritage and/or knowledge, as established by Law No. 13,123 of May 20, 2015, and Decree No. 8,772 of May 11, 2016, as well as any subsequent amendments to these regulations, of which I am fully aware.

I authorize the Brazilian institution involved to translate, publish, and disseminate in Brazil the works produced, in accordance with the applicable Brazilian legislation. I declare that the scientific material received will be stored under appropriate conditions, as required by Brazilian law. I further declare that any material collected and subsequently identified as a "type" specimen will be returned to Brazil.

I undertake to keep the Brazilian co-participating and co-responsible institution informed, periodically or whenever requested, of the progress of the work conducted abroad with the collected material, including by providing partial or final scientific results, in accordance with the provisions of the regulations cited above.
