Consular Posts of Schengen States approved travel medical insurance policy schemes for corporate travels of travel insurance companies on this list with 70 years of age as upper limit of appropriate coverage. However, visa officers are recommended to check the coverage of these policies individually because some insurance companies may have policies for the age group of 70+ too.

Consular Posts of Schengen States approved the travel medical insurance policy schemes for corporate travels of travel insurance companies on this list with 70 years of age as upper limit of appropriate full coverage. Acceptance of travel medical insurance policy schemes for group travels (e.g. tour or incentive groups) with 70 years of age as upper limit of appropriate full coverage is conditioned by the Consular Posts of Schengen States ability to check the coverage of individual members of these groups in the Travel Insurance Portals of Non-Life Insurers of the General Insurance Council. Failure of this verification may lead the Consular Posts of Schengen States to the request of submitting a new travel medical insurance policy for the visa procedure.

Visa applicants are advised to note that other travel medical insurances issued by Indian insurance companies are not accepted for Schengen visa procedure. However, visa applicants may seek to obtain insurance in any other country where claims against the insurance company would be recoverable in a Schengen State.
