

The screenshot shows the 'Print' dialog box in Adobe Acrobat Reader. The 'Printer' is set to 'HP LaserJet P1102'. The 'Copies' are set to 1. The 'Print in grayscale (black and white)' checkbox is checked. The 'Pages to Print' section has 'All' selected, with a range of 1 - 7. The 'Page Sizing & Handling' section has 'Actual size' selected. The 'Comments & Forms' section has 'Document and Markups' selected. The 'Print' button is highlighted in blue. The document preview shows a page with a title 'Antrag zum Antrag auf Erteilung eines Schengen-Visums' and a large blacked-out area.
