

SCHENGEN VISA - AIRPORT TRANSIT PURPOSE

This information leaflet has been generated by the German Consulate in Dubai. It is valid for visa applications in the United Arab Emirates if Germany is your **transit destination**. This leaflet stipulates the legal requirements and is carried out in cooperation with VFS Global to facilitate visa applications. It can be downloaded free of charge. Applicants are requested to read it carefully and observe the regulations as stated below – see I. till IV.

Note:

Entry clearance requirements depend on the citizenship and resident status of the applicant (sometimes in a third country). Only a flight through **one** Schengen Union Country at a time is considered as a transit. The vast majority of travelers do not need a visa when air transiting through Germany. In Germany, the following airports have an International Transit Area:

- **Munich** (München).
- **Frankfurt / Main**
- **Cologne/Bonn** (transit only possible between 4:30 am and 11:00 pm),
- **Düsseldorf** (transit only possible between 6:00 am and 9:00 pm and only if the airline has arranged the transit with airport security – please check with your airline),
- **Hamburg** (limited time frame only 4:30 am to 11:30 pm)

Please check with your travel agent / airline, if your flight is going via another airport. **If you leave the airport's international transit area, i.e. change the terminal, you will have to apply for a Schengen Visa – Category C.**
