Procedure

The procedure for family reunion may take several months and depends on the registration of the marriage by the civil registry office in Switzerland. The visa application will be submitted to the cantonal migration office competent for the Swiss spouse's place of residence. Information regarding the processing time can be given by the authorities in Switzerland only. In general, the Swiss spouse is informed by the cantonal migration office once the authorization to enter Switzerland has been granted (form „Ermächtigung zur Visumerteilung“ or “Autorisation habilitant les représentations Suisses à délivrer un visa”). The passport and the authorization can be submitted directly to the Regional Consular Center in Bangkok by the applicant or by a third person during the opening hours without prior appointment. The visa can be picked up the following working day.
